Subject: RP16 Maps/Data [...Final?]

Morning,

See attached.

I think this may be the final reporting period. I am not sure if the reporting period timeframe needs to be adjusted. Technically we stopped air monitoring operations around 20:20 last night. Perhaps I can ask the group on the delivery email? Anyway...

179 locations. 0 exceedances.

7 locations were sampled:

TPC-01
TPC-02
TPC-04
TPC-05
TPC-06
TPC-07

Thanks,

David Cook
